

Clean Water Indiana

Support *Clean Water Indiana* Program Funding and your local Soil and Water Conservation District

Our *CWI* program provides:

- Local funding for conservation cost-share programs
- Local monies to leverage federal dollars
- Local financial support for landowner technical assistance
- Local dollars for educating the next generation

Clean Water + Healthy Soils = Improved quality of life for Indiana's citizens and communities

We're asking you to support Clean Water Indiana funding in the 2010-2011 biennium budget
