

IASWCD Resolution Process

Adopted June 5, 2008

Resolutions may be submitted by any local soil and water district(s) (SWCD) or IASWCD committee. Resolutions will be reviewed by the Resolutions ad-hoc committee and given recommendations for Adopt; Do Not Adopt; or No Recommendation. These recommendations along with the resolutions will be provided to all 92 local soil and water conservation districts. All resolutions will then be voted on at the Annual Business meeting.

All resolutions formally adopted will remain in effect for five years. Resolutions will sunset five years after adoption and thereafter no longer reflect IASWCD positions, unless otherwise reinstated by a new vote. Therefore, the resolution must again go through the process as stated above. The IASWCD will maintain a log of all resolution sunset dates and make this available to the SWCDs.

Required Criteria for any IASWCD Resolution:

- The resolution should have regional/state/or national significance.
- The resolution should address an issue that is timely and/or pressing concern to Indiana SWCDs
- The resolution should delineate desired outcomes/goals/timeline of action.
- The resolution should be in line with the goals, priorities and mission of the IASWCD.
- The resolution should be in line with the goals and priorities of IASWCD staff resources.
