

# Rain Barrel Sales

- Fits nicely with urban practices
- Recycled food grade barrels
- Mosquito Proof – closed system
- Easy to install diverter kit
- Threaded brass spigots to connect garden or soaker hose
- Can be linked for larger capacity

# Rain Barrel Sales

- Combine with Spring and Fall Tree Sales
- If you have 319 or CWI Grants consider cost sharing to entice sales
- Greater profit margins for district

Johnson County SWCD has the capacity to store and construct the rain barrels. We have negotiated supplies and prices from vendors and are willing to work out delivery costs and details with each district based on their sales schedule and needs.
